

Advanced Diploma of Children's Services

Are you Diploma qualified and ready to take that next step to a Coordinator's or Director's Role?

Do you want to work in specialised services such as Inclusion Support?

Do you want to obtain a nationally recognised qualification in this field?

This is the qualification for you!

Course requirements

The qualification requires you to demonstrate competence in 13 units* either through training or recognition of your existing skills and knowledge. There are 7 compulsory and 6 elective units. Electives may be selected to suit your area of specialisation including Business; Inclusion Support; Education Support or Training.

Training delivery

To undertake training in the Advanced Diploma with NuSkills you must be employed in a relevant role. A lot of your learning will take place on-the-job. All students are given the opportunity to provide evidence which clearly establishes their existing skills and knowledge. We then provide training to fill the gaps.

Training is tailored to the needs of the individual and may be delivered through the use of workbooks, facilitated workshops and one to one. Importantly, we can help you to learn while you earn rather than spend months in a classroom setting.

Students will be assessed in a variety of ways including on-the-job, written assessment, project work and verbal Q&A. Assessment methods will be tailored to a student's individual needs.

Do you have knowledge and skills in this area already?

NuSkills offers you the opportunity to have your existing skills and knowledge recognised, whether those skills have been obtained through previous or current training, work experience or life experience.

Can I use this qualification anywhere?

NuSkills qualifications are nationally recognised and can be used anywhere in Australia.

How much does it cost?

NuSkills may be able to obtain Government funding as a contribution to the cost of your training. Please contact us to discuss your personal circumstances.
